## What to expect:

Everyone experiences the feeling of compression differently, but in general, compression should not be the cause of pain. Your garment should fit snug, but you should be able to pinch the fabric while the garment is on.

## Garment Care:

To preserve the special qualities of your ComfortWear garment and its patented ComforWeave® fabric, please follow these

laundry instructions: **HAND WASH COLD WITH GENTLE SOAP; LINE DRY OR DRY FLAT; DO NOT BLEACH, USE FABRIC SOFTENERS, IRON OR DRY CLEAN. BE CAREFUL WITH SHARP NAILS.**
